Price-increase.

CMC has increased the price of some models yet to be delivered.

As a result, my pre-order price will also be adjusted. It concerns the following models: M-208, M-209, M-205 and M-217.

The price increase for the M-217 model is mainly due to the fact that the planned fixed, open top will be replaced by a functional soft-top, as is also used for the M-205 model.

For the rest, the price increases are attributed to higher costs of labour, development, transport and materials.

Orange price-column: Price if pre-ordered before FEB. 2021

Green price-column: Price if not pre-ordered (also subject to availability)
